

Privacy Notice

By participating to the INSEAD iLink community,

1. You accept that INSEAD collects and processes your personal data also via automated means for the purpose of providing access to its networking platform allowing you to contact other Members according to the terms embedded in the Terms and Conditions.
2. You consent to the transfer of your personal data to INSEAD's representatives and divisions located outside your country of residence and, particularly, outside European Union as well as to the cloud service provider, with the knowledge that INSEAD guarantees security and confidentiality. The transfer is supervised according to the requirements of the applicable privacy laws, including GDPR, also through standard protection clauses adopted by the EU Commission or the EU-US Privacy Shield. You may read the entire Privacy Policy here: <https://www.insead.edu/privacy-policy>
3. The INSEAD iLink platform is a new feature within MyINSEAD, where you have already an account. To ease the registration process to the Platform, INSEAD pre-populated your profile with your existing information, available in your main profile under MyINSEAD . We encourage you to check and up-date your MyINSEAD profile information. You are free to activate and deactivate your account at any time.

If you have questions about your data handling or wish to deactivate your account please write to gdpr-compliance@insead.edu.
